* We have been advised that FE and HE providers are likely to take the view that multiple Art and Design qualifications are likely to be deemed too similar and for this reason students can choose to study either the **Fine Art or Textiles Design** course but not both.

We have considered carefully student preferences in creating the option blocks. However, it is really important that you inform us if you are unable to achieve your preferred combination of subjects (please detail in the box below if this applies to you).

Mr Thomas will meet with individual students (who have raised a query in the box below) having reviewed all option forms following the submission date.

Please return this options form to Mr Thomas via school office by 3.35pm Friday 26th March.
