

DEVONPORT HIGH SCHOOL FOR GIRLS

A SPECIALIST LANGUAGE COLLEGE

19th June 2019

Dear Parents / Carers and Students

Thank you for your responses to the Use of Mobile Devices Survey. We have gathered the views of parents / carers / staff / governors and students, considered national research and the experiences of other schools. In addition, we reviewed recently published advice from a number of bodies and comments made by the Chief Inspector of Ofsted, Amanda Spielman.

We believe that there are many positive uses of Digital Technologies and will ensure these are used as part of our teaching and learning practice. We will continue to encourage all students to develop good interpersonal skills and to maintain good physical and mental health.

After careful consideration, the Governing Body has agreed to new procedures in regards to the use of mobile devices on the school site.

Details of the new expectations can be found on the attached document and will come into effect from Monday 8th July 2019.

Yours faithfully

Mrs Anita Hems
Head Teacher
