

DEVONPORT HIGH SCHOOL FOR GIRLS

ATTENDANCE POLICY

Named person: R Morgan

Category: Statutory

Review: Every 2 years or when there are significant changes

Date to be reviewed: Summer 2026

This policy has been reviewed with regard to the work/life balance of staff.

Ratified at the Trustees' meeting on: 10/07/2023

Aim

Devonport High School for Girls (DHSG) is committed to providing a full and effective educational experience for all students. We believe if students are to fully benefit from education, excellent attendance is crucial. Irregular attendance undermines the educational process and can lead to educational and social disadvantage. As a school we will do all we can to ensure maximum attendance for all students. Any problems that prevent full attendance will be identified and addressed as speedily as possible.

Objectives

- To encourage full attendance and punctuality.
- To keep an accurate and up to date record of attendance.
- To inform parents/carers of attendance and punctuality issues.
- To identify causes of non-attendance and take action.
- To improve attendance of individuals, groups and the School.
- To work with appropriate agencies to support good attendance and punctuality.
- To acknowledge and reward a successful record of attendance through our rewards system.
- Work towards 100% attendance for each individual during the academic year.

Attendance Targets

- To provide a safe, happy learning environment where students feel valued and welcome.
- To monitor and record any absences with clear communication links between all parties.
- To work with and support individual students and families where any attendance issues have been identified, and where necessary and with agreement, engage partnership support through external agencies.
- To link attendance data with performance data and use in target setting.

The Law

Under Section 7 of the Education Act 1996, parents/carers are responsible for making sure their child of compulsory school age receive full-time education. Parents/carers have a legal responsibility to ensure their child's regular attendance at the school where they are registered. If a child of compulsory school age who is registered at a school fails to attend regularly at the school then the parent/carer is guilty of an offence under Section 444(1) of the Education Act 1996.

Since March 2001, a parent/carer also commits an offence if, knowing their child is failing to attend regularly at school, fails without reasonable justification to ensure they attend (Education Act 1996, section 444(1A) as amended by the Criminal Justice and Court Service Act 2000).

Students are required to stay in education, training, begin an apprenticeship or work 20 hours while in part-time education until the age of 18. Parents/carers are required to adhere to and be cognisant of the Sixth Form Learning Contract which clearly states acceptable attendance requirements. If any issues arise a review of student progress with parents/carers will be called.

‘Term-time holiday’

Head Teachers may not grant any leave of absence during term time unless there are exceptional circumstances. Head Teachers should determine the number of school days a child can be away from school if the leave is granted.

In such cases where term-time holiday/s of 11 sessions (five and half days) or more are taken within a running 12 month period and have not been authorised by the Head Teacher, a warning letter from school will be issued. Information and guidance will be provided with the warning letter and the Local Authority notified regarding the issuing of a fixed penalty notice. This will be without further notice. In cases of less than 11 sessions (five and half days) within a running 12 month period, the warning letter from school will be issued and your child’s attendance will be monitored by the Local Authority for up to 12 months from the date of the unauthorised holiday. Should there be any further unauthorised absence from school within this period, parent/carers will be referred to the LA regarding issuing a fixed penalty notice. This will be without further notice.

National data for secondary school attendance informs DHSG the benchmark for good attendance is 95% Analyse School Performance (ASP) 2022. This is the standard for comparison which is used by Ofsted to make judgements and as a school we will use this to set a threshold of 95% attendance when considering an application for leave of absence.

There is no national benchmark available at present for data statistics for the Sixth Form. However, the context of our school, based upon attendance data for Ofsted league tables, indicate that 95% is also an appropriate threshold for Post 16.

This policy takes into account the Statutory Guidance “Children missing education September 2016” and “School attendance: Guidance for Maintained Schools, Academies, Independent Schools and Local Authorities July 2019”. As well as Keeping Children Safe in Education 2023.

Persistent Absence (PA)

The Department for Education (DfE) have set the threshold for ‘Persistent Absence (PA)’ at 90% or below attendance. PA indicates a significant level of non-attendance and will be approached as a concern in relation to student support. We will work closely with families to address attendance that falls, or is likely to fall below this threshold. including with our Student Support Team and external agencies.

For Sixth Form “Persistent Absence” is set at 90% attendance based upon Ofsted league tables. Where PA occurs, we will work closely with both student and families to address attendance which falls below this threshold.

Authorised Absence (AA)

Authorised absence is absence which has been authorised by the Head Teacher, Senior Leadership Team (SLT), or other authorised representative of the school as per the Attendance Policy. Parents/carers must submit requests for leave of absence and advise the school of absences due to illness and medical appointments. If a student is absent from school for seven days (including weekends) further information will be required in the form of a written note from the student’s GP. External examinations, external rehearsals, etc. are to be requested on a leave of absence form in advance of the absence, along with providing supporting documentation.

Request for leave of absence for holiday in term time will only be considered in exceptional circumstances.

The Leave of Absence form is now electronic and can be found on the school’s website. (an example has been included in the appendix of this policy)

You will receive a reply slip back in return when completing the electronic Absence request form.

Attendance over one school year (190 school days) Attendance over one school year (190 school days) – If a student had:

- 98% attendance = less than 4 days absent from school
- 95% attendance = less than 10 days absent from school
- 90% attendance = 4 weeks absent from school
- 85% attendance = 5½ weeks absent from school
- 80% attendance = 7½ weeks absent from school

Illness

Please be aware if a student is absent from school for seven days in succession (e.g. Monday through to and including the weekend) parent/carers may be asked to provide additional information from their child's GP confirming in their medical opinion they are unfit to attend school.

Unauthorised Absence (UA)

Unauthorised Absence is absence without leave from an authorised representative of the school. This includes all unexplained or unjustified absences.

It includes:

1. alleged sickness, without medical or other justifiable verification.
2. condoned - with the approval of one or both parents/carers.
3. caused - by failing to comply with standards or school rules.
4. truancy - absent from school without parents/carers knowledge.
5. absconding - leaving school after being registered present.

In the Sixth Form, students are allowed to self-certify, however, where they fall below the PA threshold self-certification is not accepted.

Procedures

The school register is a legal document which must be maintained accurately and is a critical tool for safeguarding. The School has a statutory obligation to make registers available to the Local Authority and HM Inspectors.

Statutory Registration Periods at DHSG are:

- Morning Session: 08.50 am – 09.00 am
- Afternoon Session: 14.35 pm – 14.45 pm

The morning registration period takes place with a Form Tutor. It is their responsibility to ensure the register is completed electronically and accurately via Student Information Management System (SIMs) or Edulink and closed at 09.00 am.

The information will be recorded and viewed from 09.15 am. If the register has not been taken, a message will be sent to the individual Form Tutor reminding them of their duty.

The same will apply to the afternoon session; however, the register will be taken by the Subject Class Teacher as the session is at the beginning of Period 5. The registration period closes at 14.45 pm.

Parents/carers are asked to ring the school every day their child is away from school between the hours of 08.00 am to 09.00 am, an answer machine is available before this time. If we have not had contact from the parent/carer by 09.30 am, the Attendance Officer will make a call home and request information by telephone. If a student is signed off school by a doctor due to illness, a copy of the certificate should be sent to school, and the Attendance Officer will update the system accordingly. This is the only exception for not ringing and updating the school of absence on a daily basis.

For the Sixth Form, parent/carers or students are asked to contact the school for any absence by 09.30 am. Where this does not occur, it will be recorded as unauthorised absence. The student must then meet their Tutor to explain the reason on their return. For planned absences e.g. medical appointments, students must complete the online Leave of Absence request form found on the school's website prior to the absence to obtain authorisation.

The Attendance Officer/Sixth Form Administrator will inform the SLT Line Manager or Head Teacher if notes contain information indicating serious rather than routine reasons for absence.

If the Attendance Officer is unable to obtain contact from home, the absence will be recorded as unauthorised. The system will be updated accordingly once the parent/carer has contacted the school and where there are welfare concerns the Designated Safeguarding Lead (DSL) will be informed.

If a student's attendance is below 90% and the Attendance Officer is unable to obtain contact from home, the absence will be reported to the Head of House or a member of SLT, For the Sixth Form, the Head of Sixth Form will be made aware.

Attendance is monitored closely by the Assistant Head responsible for inclusion, Attendance Officer/Sixth Form Administrator, Form Tutors and Heads of House. A weekly percentage attendance report is produced. A letter will go home for students below 95% at the discretion of their Head of House (HoH)/Head of Sixth Form (Ho6th).

Sixth Form students who fall persistently below 90% will be placed on a Attendance Monitoring list where daily telephone calls are made by the Sixth Form Administrator and a stepped approach of support is put in place.

Parents/carers of students in Years 7 to 13 are able to check their child's attendance on the Parent Gateway (Edulink).

Procedure for Unexplained Absence follow-up:

When the Unexplained Absence Report is produced, the Attendance Officer will usually e-mail the student, copying in their Form Tutor, to request a, letter or Leave of Absence Form for the absence. If there is no response the Attendance Officer will e-mail a second time, this time copying in the HoH as well. If there is still no explanation for the absence, a letter will be sent home to parents/carers asking for the information to be supplied. If no update is then received, a second letter will be sent to parents/carers. This letter will also inform parents/carers if no update has been received by the Monday of the following week, the absence will be entered as "Unauthorised".

Guidelines are that there should be no sessions unaccounted for and the code “N” (no reason yet provided for absence) is merely a “holding” code and should not be used as a permanent entry on the official register.

A list of Unauthorised Absences will be held by the Attendance Officer for tracking purposes. Any issues or concerns will be forwarded to the Head of Sixth Form, HoH and Form Tutors.

Lateness

Should a student arrive at school late (after 08.50am), they must report to the Attendance Officer or School Office as soon as they arrive. If a student is continually late, they will be asked for an adequate explanation and if none is given, parents/carers will be consulted and further action taken. For the Sixth Form they must sign in with the Sixth Form Administrator.

Additionally, at DHSG we also operate electronic registration at the beginning of each lesson throughout the day.

Children being absent from education for prolonged periods or Children who are absent from education

Children being absent from education for prolonged periods or children who are absent from education is a potential indicator of abuse and neglect, including sexual and/or criminal exploitation and radicalisation. The DSL will monitor unauthorised absence, particularly where students go missing on repeated occasions.

We follow the DfE legal requirements for schools in respect of recording and reporting of children who leave school without any known destination..

Where a student has 10 consecutive school days of unexplained absence and all reasonable steps* have been taken by the school to establish their whereabouts without success, the school will make an immediate referral to Plymouth City Council's Children Missing Education (CME) Service.

The CME service can be contacted on 01752 307405 or by email to cme@plymouth.gov.uk

*Reasonable steps include:

- telephone calls to all known contacts
- letters home (including recorded delivery)
- contact with other schools where siblings may be registered
- possible home visits where safe to do so
- enquiries to friends, neighbours etc. through school contacts
- enquiries with any other service known to be involved with the student/family
- all contacts and outcomes to be recorded on the student's file

Upon receipt of a referral from the school, the CME Service will then continue to attempt to track the student, for at least a further 10 school days, using access to additional contacts/services, e.g. Housing. If this also fails to establish the student's whereabouts, the school will be informed to remove the student from roll and place the student's name on the School to School database, entering XXXXXXXX in the box for destination. This will place the student on the list of Children Missing from Education.

Deletions from roll agreed with the CME Service will normally be backdated to the first day of absence.

If the CME Service is able to contact the student and their parents/carers, arrangements will be made with the school and family for a return to education, including a re-integration programme where necessary. If the student has registered at another school, we will delete their name from our roll and transfer the student's educational records to the new school in the normal way. Any child protection records will be transferred separately and securely for the attention of the DSL in the new school and a receipt secured.

Students leaving the school for known destinations outside the maintained sector in England and Wales will be updated to the School to School database using M M M M M M M M in the destination box. This includes private/independent schools, schools in other countries (including Scotland and Northern Ireland) and students moving into Home Education. The latter will be formally notified to Plymouth City Council, Admissions team by the school as soon as written confirmation is received from the parents/carers. If no confirmation is received the above Missing Children procedures will apply.

CAN I APPEAL AGAINST THE PENALTY NOTICE?

There is no statutory right of appeal against a Penalty Notice. They can only be withdrawn for the following reasons:

- Where it should not have been issued. For example, where it has been issued outside the Council's Code of Conduct or where no offence has been committed.
- Where it has been issued to the wrong person.
- Where it was materially defective

If you believe that the notice was wrongly issued, you must make representations to the Local Authority, in writing, stating why you believe the notice has been incorrectly issued within 14 days of receiving the notice. Payment extensions will not be granted whilst representations are considered. Representations received after 14 days will not be considered.

If a penalty notice is withdrawn, a notice of the withdrawal will be sent and any amount paid will be refunded. No proceedings shall be continued or instigated for the offence for which the withdrawn notice was issued.

WHAT YOU SHOULD DO IF YOU ARE CONCERNED ABOUT YOUR CHILD'S ATTENDANCE

Contact the Inclusion, Attendance and Welfare Service. They will support you and advise you of ways that could help to ensure your child's regular attendance at school. They can also put you in touch with other agencies that can provide more support and advice.

It is also important to talk to staff at your child's school. They can often identify specific problems that might be causing your child to truant. They can also offer 'Pastoral Support Plans' that will help you and your child feel your views and concerns are being heard.

HOW WILL I RECEIVE THE NOTICE?

By post.

IMPORTANT

As with prosecutions under section 444 of the Education Act, a Penalty Notice can be issued to each parent liable for the offence.

A 'parent' is defined in Section 576 of the Education Act 1996 and includes any person who, although not the natural parent, has care of a child.

IMPORTANT EXCLUDED PUPILS

Section 103 of the Education and Inspections Act 2006, places a duty on the parents of a child excluded from school to ensure that the child is not in a public place during school hours without reasonable justification during the first five days of each and every fixed period or permanent exclusion.

This means that a Penalty Notice could be issued to the parent of an excluded child if they are found to be in a public place during the hours of a normal school day.

If you have any questions about Penalty Notices or would like to speak to an Education Welfare Officer about your child's attendance, please contact us.

Unauthorised Absence - Holiday during term time less than 11 sessions (5 and half days) - Penalty Notice warning

Your [child's name] has had *[] unauthorised absences from school between *[] and *[] due to an unauthorised holiday during term time.

It remains the case, as set out in the Education (Pupil Registration) (England) Regulations 2006 amended in 2013, that Head Teachers continue to have the power to authorise leave of absence, but only in exceptional circumstances.

This letter is to advise you that [child's name]'s attendance will now be closely monitored and a review of their attendance and unauthorised absence will be undertaken for a period of up to 12 months from the date the absence stated above. Should [child's name] have further unauthorised absence from school within this period, I will refer the matter to Plymouth City Council and you could receive a penalty notice without further warning.

I hope by bringing this matter to you attention now, it will prevent any further disruption to your child's education and avoid any further action being taken in respect of unauthorised absence from school.

Yours sincerely
